

## Disclosures

The trading of derivatives such as futures, options, and swaps may not be suitable for all investors. The risk of loss in hedging or trading commodities can be substantial and Stabilitas Energy, Inc. assumes no liability for the use of any information contained herein. Past performances are not necessarily indicative of future results. Neither the information, nor any opinion expressed shall be construed as an offer to buy or sell any futures, options on futures contracts, or Over the Counter swaps or options on swaps. Information contained herein was obtained from sources believed to be reliable or is a reasonable assessment of that information, but is not guaranteed as to its accuracy. Reproduction or forwarding without authorization is forbidden. All rights reserved.

Stabilitas Energy, Inc. does not guarantee or warrant that the contents are 100% accurate. We have made reasonable efforts to present accurate information and reasonable opinions as it relates to commodity market information, pricing, and statistics. Therefore, the information is provided "as is" without warranties of any kind. In no event shall Stabilitas Energy, Inc. and its related principals, agents or employees be liable for any damages whatsoever, arising out of or in connection with the report, or other verbal and written communications concerning the report.
